2013 FUND DRIVE

PROTECTING LIVES AND PROPERTY IN NEWTOWN, CONNECTICUT

Dear Neighbor,

Hawleyville Volunteer Fire Company is once again conducting its annual fund raising campaign. Since the financial assistance we receive from the town only covers a portion of our operating expenses, **we rely on the money we raise through this fund drive to properly maintain and equip our fire department.** In an effort to meet the needs of a growing district and anticipated construction of a condominium complex with taller buildings on Route 6, we recently enlarged and improved our fire station with an eye toward replacing an older piece of equipment.

We are one of five **all volunteer** fire departments that protect the 61 square miles comprising the town of Newtown. The volunteers of Hawleyville Volunteer Fire Company are on call 24 hours a day, 365 days a year, and participate in many hours of training to be prepared in your time of need. In these demanding, high-pressure times, it is hard to find men and women like your Hawleyville neighbors and friends who are willing to sacrifice hundreds of hours each year to protect you, your home, and property. Our service also keeps your taxes down by eliminating the need for what would have to be an extensive and expensive paid fire department.

For your convenience, contributions can now be made on our website (**hawleyvillefire.com**) using **PAYPAL**, which accepts any major credit card. **Please help us to help you by contributing as generously as you can.** Your **tax-deductible** donation is urgently needed and greatly appreciated.
